

ACCESSIBILITY INFO

- Event:** 2008 Haywood Ski Nationals
(*Canadian National Cross-Country Championships*)
- Dates:** March 16-23, 2008
- Location:** Whistler Olympic Park, Callaghan Valley, BC
- Accessibility:** As the Nordic venue for the 2010 Paralympic Winter Games we have the opportunity to increase awareness of the Paralympic movement, and to promote accessibility. With your help we will be able to get this information to those who require it for training and on the day of the event. Please pass on any feedback you receive on the accessibility of this event to Kristina Molloy at Kristina_molloy@vancouver2010.com.
- Accessible Drop Off:** A site-accessible drop off point for persons with a disability is available at the roundabout out front of the Technical Building.
- Accessible Toilets:** An accessible wash car and a hand washing station will be available. There are also accessible toilets in the Technical Building.
- Parking:** A limited number of accessible parking spots (that accommodate over-height vehicles) are available in the small parking lot next to the roundabout across from the Technical Building.
- Wheelchair Access:** Snow will be cleared around the roundabout and leading into the Technical Building (including access to the accessible toilets). A temporary pathway will be used on the snow to act as an accessible aisle from the Technical Building into the tent.
- Wheelchair Seating:** The wheelchair seating area will be located next to the tent (users will need to access this area by going through the tent). An accessible viewing platform will be available.
- Event Details:** Available at <http://www.boldtracks.com/skinationals/>
